

Standard Clamshell

Product range

Arengo Plastics offers a wide range of clamshell blisters

Clamshell blisters are amongst the most successful blister types available in today's market.

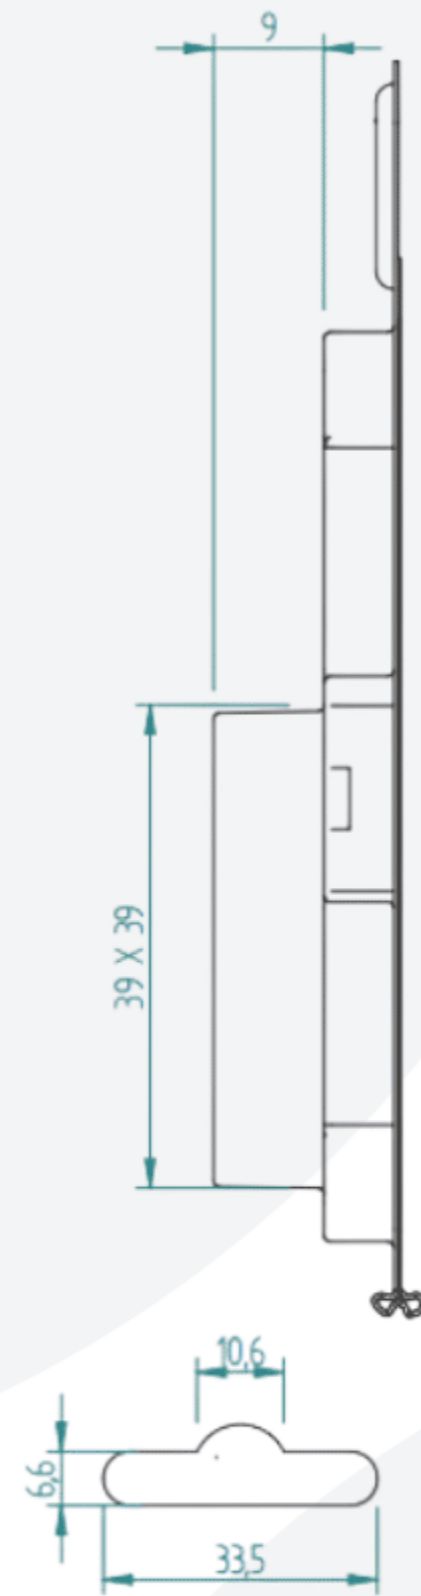

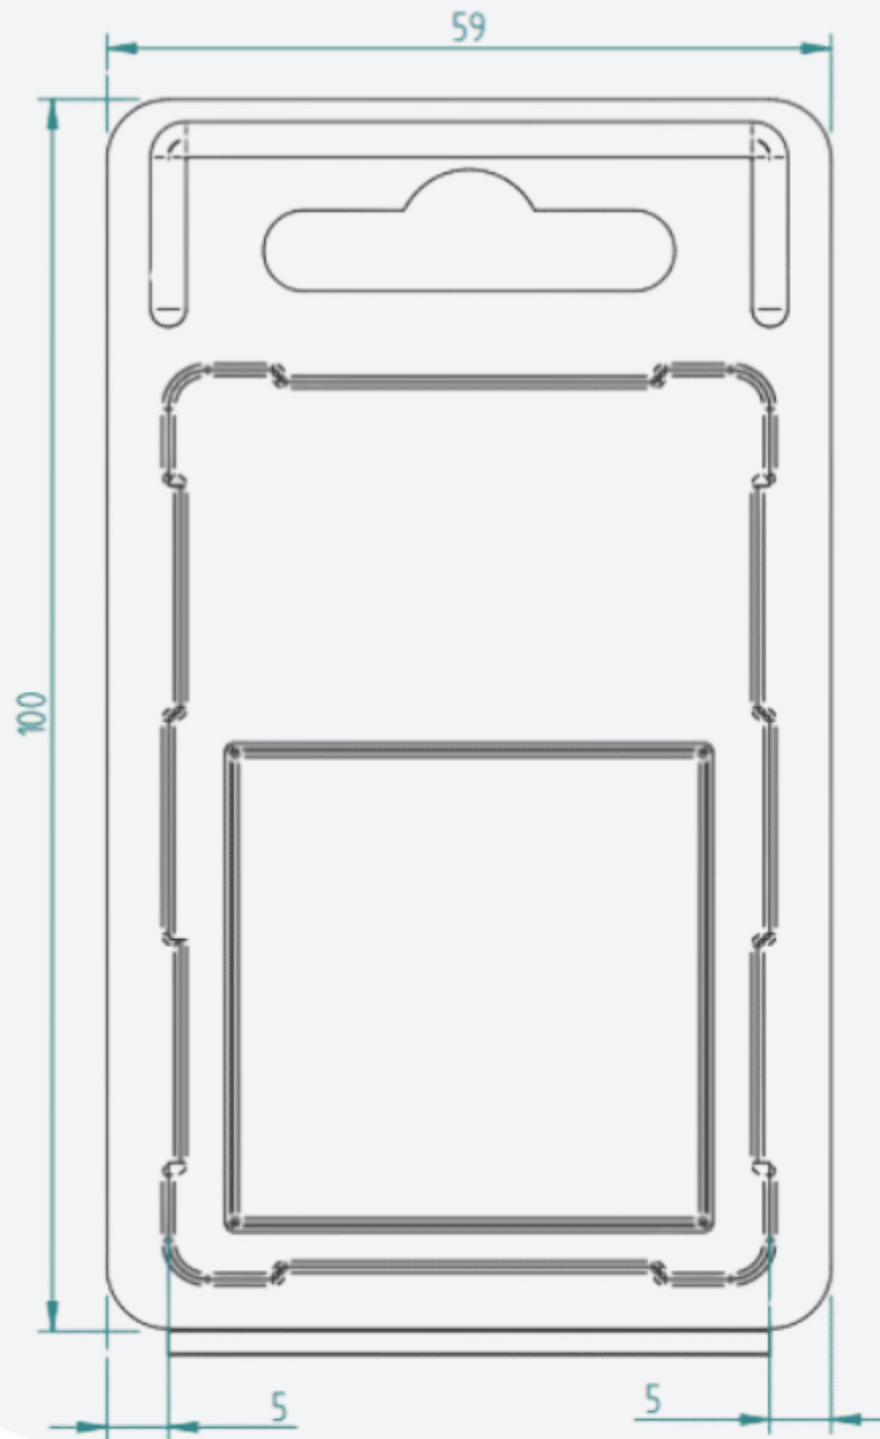

- Easy to use
- Offers product protection
- Possible to re-open them, **but** clamshell blisters can also be sealed to achieve **excellent theft protection**
- Together with a printed insert card, a standard clamshell blister creates a **perfect high-visibility presentation on the shelf.**

Our clamshells can all be custom designed to suit your requirements.
